

A Simple Life View

1. God IS!
2. God is GOOD and God is LOVE. That means that He loves ME...every day and ALL DAY LONG!
3. God is not a killjoy or a spoilsport. He doesn't bounce out of bed in the morning, looking to make life miserable for me. NO! Every instruction He gives me is for my benefit...both here on earth AND, in preparation for eternity!
4. THEREFORE...I can wholeheartedly entrust myself into HIS care. I can follow His every instruction (with NO PUSHBACK) because HIS WAY is always best!
